DIVORCED PARENTS: IT IS THE POLICY OF THIS OFFICE THAT THE PARENT BRINGING THE CHILD FOR TREATMENT WILL BE HELD RESPONSIBLE FOR THE BILL. WE CANNOT BILL THE OTHER PARENT. IF SOMEONE OTHER THAN YOURSELF IS RESPONSIBLE FOR THE PAYMENT OF THE BILL, IT IS YOUR RESPONSIBILITY TO SEE THAT THE PARTY RECEIVES A COPY OF THE BILL.

Welcome to Northside Pediatrics, P.C.

When a patient first comes to our office there will be paperwork that will be required to be completed by a parent or a legal guardian. This parent or legal guardian will be considered the patient's representative and guarantor. On occasion, an existing patient will also be asked to update paperwork if it is determined that the current paperwork is out-dated. It is necessary to keep our records as current as possible to ensure we may reach you if needed.

You may be asked to present your current insurance card for verification. If you receive a new card from your insurance company, please ensure we receive a copy when you come to our office. If there is more than one insurance for the child, it is the subscriber's responsibility to ensure we are billing insurances in the proper order. Please be sure to let the receptionist know which insurance is considered primary. If an insurance policy is terminated or changed in any way, please let us know to avoid unnecessary personal bills.

If your insurance company requires a co-payment, it must be paid on the date of service. The co-payment will be expected regardless of who brings the patient. If you are unable to pay a co-payment on the date of service, please contact the billing department prior to your appointment to make arrangements. Any balance that your insurance company does not cover after claim submission, will be your responsibility. Medicaid coverage is verified at each visit. If Medicaid states that the patient is not eligible, the patient will be considered uninsured. The guarantor will assume full financial responsibility for services rendered when the patient is uninsured.

We do monitor past due accounts and use a collection agency to assist in debt recovery, however, we would prefer to work directly with our patients regarding debt. Payment plans are available by contacting the billing department. We also accept credit cards for your convenience. Outstanding account balances may result in discharge from practice.

We do not charge for missed appointments, however, appointment compliance policies are in place. If a family misses multiple appointments, the entire family may be discharged from practice.

We do charge a fee for copying records, faxing, and completing miscellaneous forms. Any questions regarding these charges, please contact the billing office.

I have read and understand the above policies.

NORTHSIDE PEDIATRICS

NEW PATIENT

IMMUNIZATION POLICY

Due to the resurgence of measles, pertussis and other deadly, vaccine preventable illnesses, Northside Pediatrics is implementing a new immunization policy. As of August 1, 2015 our practice will not accept new families that choose not to vaccinate their children. This policy will be geared towards ensuring that all our patients meet current immunization standards, and thus are protected from these deadly illnesses.

- We firmly believe in the effectiveness of vaccines to prevent serious illnesses and save lives
- We firmly believe in the safety of our vaccines
- We firmly believe all children should receive all recommended vaccines according to Centers for Disease Control and the American Academy of Pediatrics

We respect each parent's right to choose whether or not they immunize their child. However for the protection of our patients at Northside Pediatrics, as well as other children in the community, we will be adhering to the standard of care as set forth by the Center for Disease Control and American Academy of Pediatrics guidelines on immunization practices. Our goal is to ensure that all of our patients are kept up to date on their immunizations while still allowing parents the flexibility in the timing and number of immunizations given during each appointment.

Finally, if you should absolutely refuse to vaccinate your child despite all of our efforts, we will ask you to find another health care provider who shares your views. Please recognize that by not vaccinating you are putting your child at unnecessary risk for life threatening illness and disability, and even death.

I understand that if at any point I choose not to vaccinate my child(ren) they will be dismissed from the practice and it will be my responsibility to find another physician for my child(dren)
